GTR Training Services

GTR Training Services specialise in Forklift Truck and Plant Machinery Training. We recognise the need for professional forklift training in order to equip thousands of people with these much needed skills and legal requirements. We have trained the staff of over a hundred companies in the Midlands over the years.

As a high standard training provider we are an ITSSAR (*Independent Training **Standard Scheme And Register***) Accredited Training Centre. We offer **CITB** training on many types of Plant Machinery.

Every year numerous accidents caused by untrained forklift truck operators lead to many deaths; serious injuries, damage to building, plant, stock and equipment. This is not only a loss for the operator but also the company employing them. In order to minimize this loss, the operator needs full professional training, which we provide here at GTR.

At GTR, we have the appropriate resources, expertise and highly skilled instructors to fulfil the operator's needs. Our instructors have many years of experience and provide quality guidance to help operators perform their task safely and confidently, We also ensure that each operator knows how to operate in accordance with **LOLER** (*The **Lifting Operations and Lifting Equipment Regulations 1998***), **PUWER** (***Provision and Use of Work Equipment Regulation 1998***), **HASWA** (***Health And Safety At Work Act. 1974***) and **ACOP** (***Approval Codes Of Practice***).

Through our training we ensure that each trainee receives the individual attention and time on the truck in order to, not only pass the course but be able to operate safely in a busy working environment. A combination of the above guarantees our high standard of training.

Courses are available in English, Polish, Hindi, Urdu and Punjabi.

The fact that we are delivering our courses in a variety of languages means that we can help those people who have difficulty in speaking, reading or writing English into employment.

Did you know? ...It might become CRIMINAL OFFENCE to drive a Forklift truck untrained/unauthorised. The Law recommends to get trained by appropriate training centre before operating any lift trucks.

EMPLOYERS

Do you really want to be:

- Caught out, employing untrained workers?
- Responsible for a death in your own company?
- Losing capital through damage to your goods, machinery or building?
- Breaking the law?

ABA Workplace Transport Groups

Group	Operator	Energy	Type
A - Powered Pallet Trucks			
A1	Pedestrian	Electric	Pallet; Stillage; low lift platform & low lift order-picking trucks
A2	Rider	Electric	Pallet; Stillage; low lift platform & low lift order-picking trucks
A3	Pedestrian	Electric	Counterbalance lift trucks
A4	Rider	Electric	Rider pallet stackers
A5	Pedestrian	Electric	Pallet stackers
A6	Pedestrian	Electric	Straddle trucks
A7	Pedestrian	Electric	Reach trucks
A8	Rider	Electric	Stand on Reach trucks
B - Counterbalance			
B1	Rider	Electric & i.c.e.	Lift truck up to and including 5 tonne
B2	Rider	Electric & i.c.e.	Lift truck over 5 tonne - up to and including 15 tonne
B3	Rider	Electric & i.c.e.	Lift truck over 15 tonne
B4	Rider	Electric & i.c.e.	Stand-on counterbalance
C - Side loader			
C1	Rider	Electric & i.c.e.	Up to and including 5 tonne
C2	Rider	Electric & i.c.e.	Over 5 tonne - up to and including 15 tonne
C3	Rider	Electric & i.c.e.	Over 15 tonne
D - Reach			
D1	Rider	Electric	Reach & straddle trucks 3-8m
D2	Rider	Electric	Reach & straddle trucks 8m lift
E - Order Pickers			
E1	Rider	Electric	Medium lift up to and including 2.5 meters
E2	Rider	Electric	High lift over 2.5 meters
F - Very Narrow Aisle			
F1	Rider	Electric	Operator up
F2	Rider	Electric	Operator down
G - Container Handlers			
G1	Rider	i.c.e.	Straddle carriers
G2	Rider	i.c.e.	Counterbalanced

Group	Operator	Energy	Type
G3	Rider	i.c.e.	Side loader
G4	Rider	i.c.e.	Telescopic
G5	Rider	i.c.e.	Rough Terrain Telescopic
H - Tow Tractors & Trailers			
H1	Rider	Electric & i.c.e.	
H2	Pedestrian	Electric & i.c.e.	(including flip-up platform)
H3	Rider	i.c.e.	Over 30,000kg
J - Rough Terrain			
J1	Rider	i.c.e.	Masted lift truck
J2	Rider	i.c.e.	Variable reach/telescopic up to 9m lift 2 or 4 wheel steer/articulated
J3	Rider	i.c.e.	Telescopic above 9m lift 2 or 4 wheel steer/articulated
J6	Rider	i.c.e.	Variable reach/telescopic, rotating turret under 9m lift 2 or 4 wheel steer
J7	Rider	i.c.e.	Variable reach/telescopic, rotating turret over 9m lift 6 2 or 4 wheel steer
J8	Rider	i.c.e.	Articulated
J - Industrial			
J5	Rider	i.c.e.	High lift telescopic truck - above 9m lift 2 or 4 wheel steer
M - Multi-directional			
M1	Rider	Electric & i.c.e.	Multi-directional lift trucks
M2	Rider	Electric & i.c.e.	Multi-directional side loader
P - Pivot Steer			
P1	Rider	Electric & i.c.e.	
P2	Pedestrian	Electric	
T - Transportable (Truck Mounted)			
T	Rider	i.c.e.	
Z - Pallet Trucks			
Z1	Pedestrian	Manual & Semi-manual	Pallet trucks
Z2	Pedestrian	Manual & Semi-manual	Platform truck (including fixed type)
Z3	Pedestrian	Manual & Semi-manual	Pallet Stacker
Z4	Pedestrian	Manual & Semi-manual	Straddle truck
			Moffett
			High Aab (Lorry Loader)
			Scissor Lift or Genie
			Ladder Course
MEWP Group			
1A	Rider	Electric & i.c.e.	Static Vertical
1B	Rider & Pedestrian	Electric & i.c.e.	Static Boom
3A	Rider	Electric & i.c.e.	Mobile Vertical
3B	Rider	Electric & i.c.e.	Mobile Boom
Manual Handling Course			

Health and Safety Course

COURSE TYPES & DETAILS

Below is a summary of what the course entails in accordance with the ITSSAR standards.

Novice – 5 days

This is the best type of course for someone who has never driven a forklift before or non Car Driver.

Experienced – 3 days

This is the best type of course for someone who has some experience of driving a forklift and requires the necessary training to achieve a recognized certification.

Refresher – 1 day

This is the best type of course for someone who has some experience of driving forklift trucks and is already certified but in accordance with the HSE recommendations, requires a Re- Test every 3 years.

What does the course cover?

- Introduction to Forklifts and Operator's Safety Code
- Loading, Unloading of vehicles, Picking Up and Setting Down
- Daily Pre-Operational Checks
- Safe use of Forklift Trucks in various workplaces
- Battery maintenance and refuelling of trucks
- Health and Safety at Work Act. 1978
- LOLER regulations 1998
- PUWER regulations 1998
- Approved Codes of Practice
- Responsibilities for an Employer and Employees
- Forklift Safety video
- Lots of practice
- Practical Test
- Theory Test consisting of 20 multiple choice questions and 5 written questions.

On successful completion of any of our forklift training courses the operator will receive a nationally recognized ITSSAR forklift operator's certificate and a licence.
